

## My trip to Italy

When we arrived at the train station of Modena, the families of our hosts were there waiting for us. We were very tired and exhausted so we went home to sleep. During our trip to Italy we did a lot of things. One of the things I liked the most was the daily trip to Assisi, an old town of Italy. We also went to Bologna and Perugia. There we visited a lot of museums and we went sightseeing. In the overall we learned a lot of things about terrorist actions in Italy.

In Italy I have done some new friends and I felt really happy about it and I am still feeling it. I was so excited with this trip. After staying in Italy for 5 days, we had to leave. I felt very sad about it. This Erasmus trip was an unforgettable experience

In Italy I had a great time and it was very beautiful. My trip was really good and I learned a lot of things about Italy. I learned about Italian culture, Italian foods and Italian people. I

### **Italy Vassilis**

About a month ago I was in Italy and I had a great time there. We went to some magnificent places like Assisi, Bologna, Modena and Perugia. The best thing I did was staying in a very friendly place, the house of the C..... family. But the travel had also some bad things like the tiring program and the bad weather. Nevertheless this trip was an unforgettable experience.

### **Italy Panagiotis**

A month ago I went to Italy with my school. This was an Erasmus+ program about peace.

We went to Assisi, Bologna, Perugia, Milan and Modena. Italy is a very beautiful country. It has great food and the people who live there are kind and sociable. Italy has a great culture. In Italy we learned a lot about terrorism. I think everyone should go to Italy because it's a very special country.
